## WORKSHOP THE GALOIS GROUP OF Q AS GEOMETRIC FUNDAMENTAL GROUP AFTER SCHOLZE/WEINSTEIN

## NECKARBISCHOFSHEIM MAY 4 – 8, 2015

Application deadline: February 15, 2015

**Organizers** Sujatha Ramdorai Peter Schneider Otmar Venjakob

**S.G.A.** DFG-Forschergruppe The aim of the workshop is to discuss and understand Weinstein's article with similar title concerning a theorem suggested by Scholze. It will be organized as a study group similar to an Oberwolfach Arbeitsgemeinschaft, i.e., the talks have to be given by volunteers among the participants, based upon a program to be sent out by the organizers in January 2015.
